

2023 UMA Annual Sponsorship and Business Membership Opportunities

Dear Colleagues,

UMA is a national fellowship of service organizations committed to support and hold each other accountable for their mission and ministry as faith-based organizations. Our members are diverse ministries, ranging from small community ministries serving vulnerable, needy populations to larger multi-site organizations dedicated to serving older adults, children, youth, families and persons with developmental disabilities.

Our association is dedicated to its mission to promote, inspire, recognize, and empower excellence in human service ministries. We are proud of the collegial spirit and support among our members to help strengthen all of our ministries. To learn more, see [UMA today](#).

For 2023, we will continue to offer high quality shared learning and networking events that highlight best practices in key areas including governance, workforce excellence, philanthropy, risk management, spiritual care, financial management, information technology and more.
